Remarks: We believe the low loss rate during the second quarter of FY 1970 must be attributed largely to the tight job market. Other factors normally affecting attrition among this group have not changed significantly. We lost two particularly fine officers from the Clandestine Service during this period <div style="border: 1px solid black; height: 15px; width: 150px; margin: 5px 0;"></div>

	32	GS-11/4	123 mos.	FE	Mr.  made an excellent record in the CS, recognized by consistently Strong evaluations and by award of the Intelligence Star. He became dissatisfied with what he considered to be too many people, too much paper, loss of challenge in the job, "parochial" management, and lack of prospects for improvement. He resigned to join the Bureau of Narcotics and Dangerous Drugs.	25X1
	35	GS-12	93 mos.	WH	A consistently Strong performer,  resigned to seek employment elsewhere. His stated reasons were dissatisfaction with CS career management and a belief that his duties and responsibilities were not commensurate with his age and ability. He was not bitter but was dissatisfied with what he considered too much concern with forms and procedures and not enough for the Agency's human resources.

25X1 <div></div>	41	GS-14/4	195 mos.	EUR	His resignation was prompted by a number of factors, including family pressure and gradual loss of motivation, precipitated finally by prospect of transfer from EUR to FE and assignment to Vietnam. An exceptionally qualified officer, he performed outstandingly until the mid-60's and then slipped gradually from Outstanding to very nearly a Marginal rating. He left without bitterness, still convinced of the essentiality of the Agency and its mission, but unhappy about growth in size and bureaucracy.
